Artelium

Chardonnay 2023

WHITE STILL WINE

GREAT BRITAIN

SUSSEX

TASTING NOTE

This multi-layered Chardonnay evolves in the glass and will age beautifully in bottle. Bright and precise, with orchard fruit, citrus zest and beeswax notes carried on a long, elegant finish.

VITICULTURE

A wine of clarity and poise, shaped by fruit from both Artelium East and partner vineyards. With clay loam and chalk soils lending both freshness and depth, showing the vitality of English Chardonnay at its best.

FOOD MATCHING

Pair it with soft goat's cheese or seasonal vegetables, or set it alongside simply cooked seafood
