

Wine-d Down & App Up Send Off

Thursday July 22 - Saturday July 24, 2010

In the best laid construction plans...

Delays happen and plans alter (we didn't even have time to plan a proper party for you.)

~~Open during remodel~~ has been temporarily changed.

We need to close ENOTRIA's dining room after dinner service this Saturday, July 24th while we finish the NEW buildings and begin interior remodel on 'the old ENOTRIA'. We apologize for the inconvenience and invite you to the last few nights of excellent food and great service in our old dining room.

App Up!

To thank you for your loyal patronage, Chef Tony will be offering complimentary apps at the bar tonight through Saturday.

Wine-d Down!

Not to be out done, Chad is offering 30% off all wines including by the bottle, glass, and even RETAIL for 30% off! Come enjoy these savings through the weekend and stock up on wine until our new and much larger wine bar opens.
