Barolo Cannubi Magnum 2021

RED STILL WINE | ITALY | DEINZE | ORGANIC | SUITABLE FOR VEGANS

TASTING NOTE

The intense and brilliant colour perfectly expresses the polyphenols of a very successful Nebbiolo. On the nose it develops gradually its richness; the initially fruity and spicy aromas envelop notes of sour cherry and raspberry, while hints of cocoa and vanilla make the bouquet even more intriguing

VINEYARD

Undoubtedly Barolo's most famous vineyard. The soil composition and the vineyard's perfect southern exposure give the grapes grown here an extraordinary uniqueness. Here, both Tortonian and Helvetian soils blend seamlessly, along with a significant percentage of sand.

VITICULTURE

Vines grow on Cannubi’s historic hillside with calcareous marl soils and ideal sun exposure. Guyot-trained vines are hand harvested at optimal ripeness, with low yields ensuring concentration, finesse and clear expression of terroir.
