Black Stallion Napa Valley Cabernet Sauvignon 2023

RED STILL WINE

UNITED STATES OF AMERICA

CALIFORNIA

TASTING NOTE

A bold, dense Napa Cabernet displaying all of the valley's trademark Cabernet characteristics: ripe plum, cassis and black cherry fruit, well-integrated oak, and a long, well-rounded finish.

VITICULTURE

A significant portion of the grapes are from the Oak Knoll District of Napa Valley which is known to give Cabernet richness and depth of flavor without overwhelming tannins. Significant percentages of the blend also come from vineyards located in Pope Valley and Rutherford which help to give the blend roundness and softness.
