TASTING NOTE

The Black Stallion North Coast Collection comes from a prestigious appellation on the California coast that is known for cool coastal breezes, refreshing fog and crisp mountain air. This Chardonnay opens with aromas of orange blossom, lemon curd, and toasted almonds followed by tantalizing flavors of luscious fruit, toasted bread, caramel, and a light butter finish.

VITICULTURE

The fruit used to craft this North Coast Chardonnay comes from a variety of distinctive terroirs. Each of these premier North Coast sub-appellations contributes unique characteristics to the final blend. Anchored by cool microclimate vineyards in the Russian River Valley and Mendocino, the sourcing also includes select vineyards in Napa Valley.

FOOD MATCHING

Pairs beautifully with roasted chicken, creamy pastas, and seafood dishes.
