TASTING NOTE

An American classic, authentic Rock & Rye could once be found on the back bar of most noteworthy establishments. Since prohibition though, it's demise has almost been complete... until this. Serve on the rocks. Brandied cherries and anise are clear on the nose, accompanied by rye bread and a tinge of orange. The citrus is bigger to taste, with cherries and Rye Whiskey adding their weight. Mister Katz's Rock & Rye combines youthful Rye Whiskey with rock candy sugar, sour cherries, cinnamon and a touch of citrus.
