TASTING NOTE

A brilliant dense green, evoking pistachios. On the nose it has the typical intense aromas of the oil of this area; grass, green tomatoes, artichoke and seaweed. Bordered by fruity notes of cedro and aromas of exotic woods. It finishes on the nose with hints of fresh herbs, headed by basil. This is a fruity oil, sharp, spicy and intense, in excellent harmony with vegetable soups, fresh cheese and above all with grilled fish and meats.

FOOD MATCHING

Planeta's Olive Oil deserves freshly baked bread in order to show it's magnificent array of characteristics fully. The complex palate makes this an ideal dressing for green leaf salads and frugally prepared river fish, octopus and squid.
