SKU	63906117

TASTING NOTE

Fragrant with lychees, beeswax and chamomile, with ripe lemons and tropical fruit in the mouth, along with a furl of smoke.

VITICULTURE

Our grapes come from our vines and those of our partner winegrowers, from hillside terroirs on the sub-Vosges hills. Soils dating from the Triassic, on Muschelkalk: shell limestone, dolomite and marl. And dating from the Jurassic with limestone and marls, South and SE exposure.

VINIFICATION

Rigourous selection from select old vines in calcareous clay soils on only the best years. Yhis luscious, spicy wine matures for complexity. Harvested by hand, directly fermented in steel, bottled early without malolactic fermentation.

FOOD MATCHING

Excellent as an aperitif, this lush reserve is particularly good with highly-seasoned food, notably from Asia and the Orient. It is ideal with strong cheeses, expecially Munster.
