TASTING NOTE

This delicious Fiano shows a rich gold colour, a nose of flowers, dried fruits and spices, and a delicious freshness from well delineated acidity, balancing its full body and mineral depth. Savoury and food-friendly.

VITICULTURE

Fiano di Avellino is cultivated on clay-limestone mix soils at an altitude of 400m above sea level, and harvested in mid-October.

VINIFICATION

Grapes are fermented in stainless steel vats at low temperature. The wine is kept in bottle for 3 months before been released.

FOOD MATCHING

Starters or as an aperitif, this is perfect with a classic caprese salad incorporating the local mozzarella di bufala.
