Nadar Vodka

VODKA | GREAT BRITAIN | SCOTLAND | SUITABLE FOR VEGANS

TASTING NOTE

Not just a world's first in being a climate positive Vodka, Nadar is an antidote to tasteless vodkas generally! By making their own from scratch, it retains many subtle flavours lost in most highly rectified and filtered vodkas. It's vodka, so all flavours are subtle and nuanced, but within that framework, expect a vibrant and spicy taste alongside a contrasting floral nose from the pea base.
