Arnaldo Caprai

Anima Umbra Grechetto 2025

WHITE STILL WINE | ITALY | UMBRIA | SUITABLE FOR VEGANS

TASTING NOTE

A vibrant, modern Umbrian white with a bright straw-yellow hue and an expressive nose of white flowers, lemon zest, green apple, pear and ripe peach, complemented by subtle mineral notes. The palate is fresh and elegant, with crisp citrus acidity, a smooth texture, delicate almond nuances and a clean saline character. The finish is refined and refreshing, with the classic Grechetto signature of gentle almond bitterness adding depth and persistence.

VITICULTURE

Grapes are cultivated in the Umbrian hills on well-drained soils, benefiting from a Mediterranean climate with warm days and cool nights that encourage balanced ripening and aromatic intensity. Sustainable vineyard practices and careful canopy management help preserve freshness, acidity and the distinctive character of the Grechetto variety

SIZE	75cl
VINTAGE	2025
