WHITE
STILL WINE

ITALY

UMBRIA

SUITABLE
FOR VEGANS

TASTING NOTE

Fresh and elegant, with aromas of white peach, pear and citrus blossom, layered with hints of almond, wild flowers and subtle herbs. The palate is crisp yet textured, offering ripe orchard fruit, lively acidity and a refined mineral character, finishing long, savoury and beautifully balanced.

VITICULTURE

Grechetto is grown in the Colli Martani hills of Umbria, where clay and limestone soils, warm sunny days and cool nights encourage slow, even ripening. Careful vineyard management and balanced yields produce grapes with concentrated aromas, vibrant acidity, subtle minerality and a distinctive expression of this historic Umbrian variety.

FOOD MATCHING

Great aperitif wine or consumed with seafood, veal or poultry dishes.
