WHITE
STILL WINE

ITALY

PIEMONTE

SUITABLE
FOR VEGANS

TASTING NOTE

Crisp and refined, with aromas of green apple, pear, citrus zest and white flowers. The palate is dry, linear and mineral-driven, showing bright acidity, subtle almond notes and a clean, persistent finish with a saline edge.

VITICULTURE

Our vineyards are planted with carefully selected clones to express the full potential of each grape and site. Vines are trained using the traditional Guyot system and hand-harvested at optimal ripeness. Sustainable farming practices guide vineyard management, ensuring quality, balance and respect for the environment.

VINIFICATION

Cortese grapes are gently pressed and fermented in stainless steel at low temperatures to preserve freshness and varietal purity. Short lees ageing adds texture and finesse while maintaining a precise, vibrant and clean expression of the fruit.
