TASTING NOTE

With a citrus green color, Aveleda Loureiro reveals all its aromatic splendor through floral and citrus notes. In the mouth, it is an elegant and harmonious wine, which reveals an extraordinary freshness and flavor with notes of lemon, lime and white flowers, typical of the variety, which blend in a crisp and striking finish.

VITICULTURE

2022 was an excellent year for the Vinho Verde wine region. Our grape production increased around 50% compared to the previous year. Considering the grapes purchased and our own production, around 15 thousand tons were processed. After a very dry year, the precipitation at the end of maturation helped the vines to recover from water stress. Daily maturation
