Lugana 2024

WHITE STILL WINE | ITALY | LOMBARDIA | SUITABLE FOR VEGANS

TASTING NOTE

This is an elegant, powerful wine with rich, rounded, concentrated fruit and complex flavours, on the nose which are echoed on the palate. The finish is fresh and clean with a touch of creamy complexity.

VINIFICATION

Harvesting is done manually: the most perfectly ripe grapes are placed into small 17 kg crates. Produced to the south of Lake Garda, where only vineyards on relatively flat terrain and of a clayey-calcareous nature are considered suitable. Produced from Turbiana (formerly Trebbiano di Lugana), and up to 10% other white varieties.
