Lugana 2025

WHITE STILL WINE | ITALY | LOMBARDIA | SUITABLE FOR VEGANS

TASTING NOTE

Bright straw yellow colour. The elegant, mineral nose is marked by pleasant exotic notes, hints of candied fruit and citrus. The palate features remarkable expressive elegance, assertive density typical of the variety, proving warm and lingering.

VINEYARD

In the southern area of Lake Garda. The grapes come from estate vineyards, in the best winegrowing areas of the appellation, characterised by high content of white clay.

VITICULTURE

The harvest and bunch selection are done strictly by hand in small cases, in the last ten days in September.
