VINEYARD

The small Garnacha vines that make up the estate give rise to Marañones. These vines are between 50 and 70 years old and maintain the traits of San Martin's viticultural history.

VITICULTURE

The slopes formed by the valley where they are located provide an excellent opportunity for organic viticulture, which we are working with, although this vintage is not yet certified. Harvest by hand in 12 kg boxes.

VINIFICATION

The selected grapes arrived at the winery whole and were macerated with their own stems. Fermentation in French oak vats and in stainless steel tanks, making pigeage.Aged for 15 months on its own lees in foudres and French oak and concrete vats between 1,000 and 5,000 liters. Bottled in the spring of 2024.
