TASTING NOTE

Deep ruby to the eye, this wine has aromas of black cherry, black currant and dark chocolate. It is full on the palate, with opulent tannins and Mission fig, milk-chocolate, purple-plum, butterscotch and lavender flavors that evaporate into a satisfying finish.

VITICULTURE

Crafting Excellence from Diversity: Our Rioja Alta vineyards span 12 municipalities at 500-700 meters altitude. We cultivate noble Tempranillo and vibrant Garnacha, each thriving in unique soils, from calcareous-clay to clay-ferrous, shaping the distinct character of our wines.

FOOD MATCHING

It is the ideal wine to accompany game dishes, roasts and red meats, as well as cured cheeses and sausages.
