#### **TASTING NOTE**

Yellow with greenish reflections. Bright and crystalline. On the nose, notes of pulp fruit, hay and a delicate lactic sensation. In the mouth it is dense, envolving with a structure where a fresh sensation stands out with a long aftertaste.

#### VITICULTURE

The weather in the D.O. Monterrei is Atlantic but with Continental influence since it is located south of Ourense, on the border with Portugal. The climate is drier than in the rest of Galicia, with hotter summers and very cold winters.

#### VINIFICATION

Stainless steel tanks with temperature control.

### FOOD MATCHING

Very tasty with seafood, fish and fresh cheeses
