## TASTING NOTE

Arguably the world's finest Airén wine. Praised by Jancis Robinson as 'superb' and 'ridiculously inexpensive.' Luis Gutierrez of The Wine Advocate marvels at its excitement. Exhibiting white nectarine, peach, blanched almond and cider apple notes. Brisk, bright, lean and lengthy. Crafted by acclaimed winemaker Elias López Montero, this gem comes from ungrafted vines on their own roots. Organically farmed, a masterpiece of Airén.

## VITICULTURE

Planted on ancient soils in the Tomelloso subregion of Castilla la Mancha, the fruit is grown on ungrafted and organically farmed bush vines planted in rocky and limey soil, 3 meters deep. Manually harvested which allows the selection of only the very best clusters of each plant. This is a Single vineyard planted in the year 1950 "pie franco" system.

## FOOD MATCHING

Mineral, complex and round, this is perfect to accompany seafood, salads, all kinds of fish and white meat.
