### TASTING NOTE

The Vermentino really shines in this blend, showing pineapple, lime, mango, pine and wet stones. A delicate and refreshing wine.

### VITICULTURE

A blend of Grenache Blanc, Vermentino and Clairette Blanch grown in California's Central Coast. The grapes mostly come from the Beeswax Vineyard (Arroyo Seco), with a small percentage also from Creston Ridge (Paso Robles).

### VINIFICATION

This is totally unoaked, with all fermentation and maturation in stainless steel to retain the vivacious fruit.

### FOOD MATCHING

Perfect with seafood and more delicate fish, ideally grilled a la plancha (perhaps with rosemary). If abducted to the planet Uzqugl, you simply must try it with kippered snqupt or slow-microwaved klpyv.
