TASTING NOTE

Lip-smackingly fresh, with lemon-and-lime citrus, a hint of peach and white flowers, along with a distinctive flavour of beeswax. A brilliant wine that is both easy-going and complex, all achieved at a lower alcohol level than most Californian wines.

VITICULTURE

This is sourced primarily from a single vineyard, the excellent Beeswax Vineyard in Arroyo Seco in Monterey County. As the name suggests this vineyard has a habit of producing wines with a distinctive savoury beeswax aroma. 10% of additional fruit comes from the Nolan Vineyard.

VINIFICATION

This is all fermented in stainless steel at cooler temperatures to retain the irresistable natural freshness of the Picpoul grapes.

FOOD MATCHING

Grilled octopus with lemon; moussaka, sardines a la plancha. Grilled Sardines with Frisée & Whole-Grain Mustard Dressing.
