Bootlegger

White Grain Spirit

OTHER SPIRITS | GREAT BRITAIN | MERSEYSIDE

TASTING NOTE

Prohibition, the US ban on alcohol, started in 1919. It sparked illegal hooch-making, smuggling, and 'speakeasies.' Bootleggers moved the illicit goods. Prohibition ended in 1933, yet Bootlegger's spirit captures that era's raw liquors.

SIZE	70cl
VINTAGE	NV
