Levia Toscana Rosato 2024

ROSÉ STILL WINE

ITALY

TUSCANY

TASTING NOTE

Bright and contemporary Tuscan rosé with a pale salmon hue. Aromas of wild strawberry, white peach and pink grapefruit lift from the glass. Crisp, mineral-driven palate with a subtle saline edge, soft texture and clean, refreshing finish. Stylish, food-friendly and made for easy modern drinking.

VITICULTURE

Vineyards are located in coastal Tuscany, where warm days and cooling sea breezes support balanced ripening. Soils are typically a mix of clay, sand, and stones, encouraging drainage and concentration. Sustainable vineyard practices and careful canopy management help preserve freshness, aromatic lift, and natural acidity in the grapes.
