Caccia al Piano

Lungocosta Bolgheri Bianco 2023

WHITE STILL WINE | ITALY | TUSCANY

TASTING NOTE

Refined aromas of citrus blossom, white peach and ripe pear, intertwined with delicate Mediterranean herbs and subtle spice. The palate is poised and harmonious, balancing vibrant freshness with silky texture, while a nuanced mineral note carries through to a long, graceful and elegant finish.

VITICULTURE

Grapes are sourced from coastal vineyards in Bolgheri, where maritime breezes and abundant sunlight promote slow, balanced ripening. The combination of sandy-clay soils and a Mediterranean climate enhances aromatic expression, freshness and mineral complexity, while careful vineyard management ensures fruit of exceptional quality.
