TASTING NOTE

The nose has a medium intensity with clean and powerful aromas. Strong varietal character in which black fruit and floral aromas are mixed with toasted and spiced notes from the oak aging. On the palate the wine has a soft attack, with a wide persistent finish and good freshness.

VITICULTURE

Rocky slate, quartz and clay soils at 450–700m, with low rainfall, strong winds and abundant sun. Night harvesting and sustainable vineyard management reduce spraying, while Bodegas Care supports local conservation areas and national parks to enrich biodiversity.

FOOD MATCHING

Pairs best with Mediterranean dishes, grilled meats, and rich tomato-based pasta. Can also pair well with semi soft cheeses.
