

Carrick Winery

Bannockburn Pinot Blanc 2023

WHITE
STILL WINE

NEW ZEALAND

CENTRAL OTAGO

ORGANIC

SUITABLE
FOR VEG

TASTING NOTE

Bold nose, with notes of poached pear, toast and quince paste. The palate brings these notes together, alongside greengage plum, vanilla and melted butter. It's rich and full-bodied, textural, but finishing fresh on the palate.

VINIFICATION

Made very similarly to the Carrick Chardonnay, the Pinot Blanc is hand-picked then brought to the winery where the fruit is crushed to extract flavour from the skin, before being pressed. Wild-fermented in barrel, it spends 8 months in oak (14% new oak), before blending and bottling.

FOOD MATCHING

Smoked chicken, roasted pumpkin pasta, feta.
