## **TASTING NOTE**

A Tuscan take on a Bordeaux-style blend, this is complex and deeply scented, full of cassis, toasted wood and spice, with blackberries and forest fruit structured on a lattice of tannins and a puff of liquorice bringing freshness to the whole ensemble.

#### VITICULTURE

The grapes are ripened on hillside locations with South and Southwest facings between 250 and 575ft above sea level.

### **VINIFICATION**

Fermented at 28 degrees C with up to 25 days of skin contact. Maturation, including malolactic, is performed in 1/2 new and 1/2 used oak barrels for 18 months. The wine is refined for 12 further months in bottle before bottling with only a very light filtration.

## FOOD MATCHING

Food with balanced, intense flavours, meat and game dishes – fried or stewed – for poultry such as pigeon or pheasant.
