### TASTING NOTE

Sparkling wine from Argentina, fragrant with citrus and a mellow touch of biscuit, followed by a mouthful of peaches and other stone fruit.

### VITICULTURE

Chandon Argentina's Andes foothills terroir, at 980-1,500m altitude, boasts a semi-desert climate with sharp day-night temperature shifts. Sandy-clay and chalky soils force vines deep for water. These assets yield grapes with higher acidity and lower sugar, creating exceptional sparkling wines with remarkable freshness, concentration, and balance.

### VINIFICATION

Benefiting from 270 years of Moët & Chandon experience, the estate combines traditional French savoir-faire with the excellence and diversity of Argentine soil: by blending a wide variety of grapes from terroirs in the region, Chandon Argentina produces wines that are internationally-renowned for their harmony.

### FOOD MATCHING

Seafood, grilled chicken and most pastas. As an aperitif.
