TASTING NOTE

The 2021 displays a deep golden straw hue with subtle reflections. Initial aromas include grilled notes, lemon, and orange zest. With aeration, hints of white peach and flowers emerge. The palate is rich, with a lively start leading to a long, persistent finish. Aging enhances flavor and aromas, culminating in fresh, candied citrus notes.

VITICULTURE

The whites are also harvested on our Sauternes plots which due to climate change have a hard time reaching optimum maturity with Botrytis. This gives us a unique window to make an excellent white wine.

VINIFICATION

In temperature-controlled vats and barrels. Aging of 6 months in 45% stainless steel tanks, 45% in one year Sauternes barrels, 10% in new oak barrels.

FOOD MATCHING

Poultry, matured cheeses, oysters and carpaccio of scallops.
