TASTING NOTE

The elegant and intense nose reveals a great fruity richness, with aromas of mango and peach, subtly blending with notes of fresh lemon zest. The palate reveals a remarkable balance between richness and freshness, reminiscent of raspberry, and fleshy, juicy summer fruits. The crisp attack gives way to a creamy mid-palate and a silky texture. The persistent finish, full of character, is marked by saline notes.

VITICULTURE

The year 2025 is marked by generosity. The terroir benefited from a wetter year than usual, which greatly benefited the harvest, making it both abundant and exceptionally rich in aromatics. This excellent harvest is also the result of the regenerative agriculture work deployed on the Estate for several years.
