TASTING NOTE

Bursting with fresh red and blue fruits like Marasca cherries, wild strawberries, and crushed plums on the nose, beautifully layered with fragrant pink florals and hints of spice. Cushy and vibrant on the mid-palate. It showcases tart, refreshing acidity perfectly balanced by fine, strident tannins. Flavours transition from fresh red berries to darker notes of blackberry, earthy cacao and liquorice as the wine warms up in the glass.

VINEYARD

From the estate's own vineyards, with soils typical of the Helvetian region: ancient in origin, calcareous-clayey with shades of pale gray and pink. Alternating layers also include siliceous sandstone, calcium carbonate, and iron.

VITICULTURE

Organically grown.

VINIFICATION

Vinification in our cellars, using automatic temperature control and punching down techniques. Only stainless steel is used for this fresh, elegant, and fruity wine.
