RED STILL WINE

ITALY

PIEMONTE

SUITABLE
FOR VEGANS

TASTING NOTE

Powerful yet refined, with complex aromas of dried rose, red cherry, wild strawberry and orange peel, layered with notes of truffle, tobacco, sweet spice and cedar. The palate is elegant and structured, with silky tannins, vibrant acidity and a long, savoury finish marked by mineral depth and spice.

VITICULTURE

Nebbiolo is grown in a tiny 1.2 hectare vineyard at 400 metres above sea level, one of the highest sites in Barbaresco. The elevated position provides cool nights and a long growing season, preserving freshness and acidity while encouraging slow ripening, producing fruit with exceptional concentration, elegance and ageing potential.
