TASTING NOTE

Fracture pays tribute to the Booker estate's limestone soils, which fracture under pressure rather than crumble. Found in top wine regions, limestone shapes this wine's power. The 2021 vintage shows blueberries, iodine, and leather on the nose, with velvety flavours of kola nut and forest floor, finishing with remarkable poise, depth, and structure.

VITICULTURE

Organically farmed (CCOF) by hand on our thin calcareous soils in the Willow Creek District of Paso Robles, California.

FOOD MATCHING

This bold Syrah pairs perfectly with hearty dishes like grilled ribeye, braised short ribs, or pepper-crusted lamb chops. Its deep fruit and firm tannins also shine with smoked mushroom ragout or lentil stew with roasted root vegetables.
