TASTING NOTE

Highest Beauty exhibits classic Cabernet Sauvignon character with great richness and depth. Luscious with notes of raspberry and black cherry, the wine features beautifully integrated tannins, lithe acidity, and a silky finish.

VITICULTURE

At the foor of the Mayacamas Mountains, the vineyard's well drained, gravelly soils allow the vines to root deeply to find precious moisture and nutrients.

VINIFICATION

The grapes were macerated on the skins for almost 30 days on avarage to fully burnish the tannins and maximize the potential of the vineyard. The wine was then aged for 20 months in new French Oak, further polishing the texture and adding new layers of complexity.
