TASTING NOTE

Bright, aromatic and youthful on the nose, with pronounced aromas of zesty citrus and subtle white orchard fruits. Crisp and refreshing on the palate offering zesty lemon, lime, and underlying green fruit flavours. Dry, light-bodied, and clean, with a vibrant, mouthwatering acidity.

VINEYARD

France is a leading wine-producing nation and the birthplace of the concept of “Terroir,” which reflects how grape varieties express themselves through flavour, aroma, and colour. No other country offers such a rich and diverse range of Terroirs, making French wine a uniquely fascinating experience for all to enjoy.

VITICULTURE

France’s diverse terroirs—shaped by varied soils, climates, and expertise—produce distinctive wines that reflect a rich, world-renowned winemaking heritage.
