TASTING NOTE

Blended from several varietals, the resulting wine is an exotic mix of citrus, stone fruits, passionfruit, guava and pineapple, which develops into a long and savoury finish with hints of candied ginger. The mouthfeel is rich and luscious without being overly oily, kept in check by a fine line of mineral acidity.

VITICULTURE

The grapes used in this wine are sourced from around the McLaren Vale region.

VINIFICATION

The grapes are gently crushed before being pressed in stainless steel basket presses. The juice is then transferred to temperature controlled tanks, where it is inoculated with yeast, starting the fermentation process.

FOOD MATCHING

The classic match is shellfish & seafood, however also pairs extremely well with grilled halloumi.
