Vintage Fortified Shiraz 2019

RED FORTIFIED
WINE

AUSTRALIA

MCLAREN VALE

SUITABLE
FOR VEGANS

TASTING NOTE

Unctuously sweet fortified Shiraz, spicy and full of dried fruit, including figs and apricots, rounded out with nuts and spice.

VITICULTURE

08' brings a dual vintage tale for McLaren red wines. Adequate winter rain nurtures vines, ensuring healthy canopies. A cool spring and January-February maintain low sugar and high acidity. A March heat wave prompts hurried picking, yielding rich, ripe characters. Footbolt blends early and late-picked parcels, achieving balance with ripe characters in check.

VINIFICATION

Small grape batches are gently crushed and transferred to open fermenters. Foot treading occurs during fermentation. After basket pressing, a bit of brandy spirit is added to halt fermentation, retaining the sweet fruit richness. No wood aging before bottling.

FOOD MATCHING

Chocolate desserts or blue cheese.
