

Domaine Bonnard

Sancerre Blanc 2025

WHITE
STILL WINE

FRANCE

LOIRE

SUITABLE
FOR VEGANS

TASTING NOTE

Lively and long on the finish. It's nose is redolent of white flowers with citrus notes and pear notes on the palate for overall harmony. The wine is pale gold in colour. To enjoy the vivacity and fruit, drink between 1 and 3 years. To best bring out all of the aromas and flavours, avoid over chilling it.

VINIFICATION

The wines originating from each of these terroirs are vinified separately in order to allow each one to fully express its characteristics. They are then blended so that their respective qualities complement each other to give balanced wines. Fermentation takes place at low temperatures, and the wines are aged on fine lees.

FOOD MATCHING

Perfect match for fish, seafood, white meats and cheeses, even strong ones.
