VITICULTURE

Domaine Bousquet's vineyards sit in Argentina's Uco Valley, 4,000 ft up in the Andes. Dry conditions, sandy phylloxera-resistant soils, mountain breezes, snowmelt irrigation and big day-night shifts support organic farming from day one, producing healthy vines and wines with a true sense of place.

VINIFICATION

The grapes from Uco Valley are harvested and then fermented with selected yeasts at a maximum temperature of 15°C/59°F for 20 days.

FOOD MATCHING

Pairs perfectly with white fish, shellfish and white meat dishes. Serve between 8°C/46°F and 10°C/50°F.
