Double Dutch

Indian Tonic Water Can

[Image not available]

MIXERS

GREAT BRITAIN

SUITABLE FOR VEGANS

TASTING NOTE

Delicate and soft with a slightly fruity finish. Our award-winning Indian Tonic Water starts with a hint of pink grapefruit, ripens to classic quinine and finishes with a hint of juniper berry. It's a smooth operator performing superbly in a G&T, garnished with a wedge of grapefruit, but also pairing beautifully with vermouth, vodka and even blanco tequila.
