East London Liquor Company

Blend 2021 Whisky

WHISKY | GREAT BRITAIN | LONDON | SUITABLE FOR VEGANS

TASTING NOTE

A great blend that showcases the distillery's own character and their ability to partner with the right collaborators to enhance it further. Sweet kirsch and vanilla with cherry and raisin, then ignites with peppery rye heat. Delicious! Aromas of earthy chocolate, peanut butter and tea, balanced by ripe apricots, cinnamon and allspice. To taste, sweet vanilla and cherry fruit backed by honeysuckle. Finishes with peanut butter, leather and peppery rye.
