TASTING NOTE

Intense ruby red, great vivacity, with violet notes. Red fresh fruits such as raspberry, strawberry and cherry; combined with spices. The palate is sweet and harmonious, balanced acidity and long and persistence final. Good aging potential because of its structure, it can be stored for 4 years.

VITICULTURE

Known for its stunning red rock formations, high-altitude Cafayate Valley has an extreme desert climate, poor soils, warm days/ cool nights and very little rainfall makes it easy to practice integrated, sustainable and organic viticulture. Further, the wide thermal amplitude allows grapes to become highly concentrated, resulting in smooth, delicious wines.

FOOD MATCHING

Classic Argentinian cuisine. Mainly beef and barbecues.
