Familia Deicas

Atlantico Sur Rosé 2024

ROSÉ STILL WINE | URUGUAY | CANELON | SUITABLE FOR VEGANS

TASTING NOTE

This wine stands out on the palate for its freshness and sweet notes of vanilla, its unctuous volume and a very elegant expression of salinity on the finish. The nose presents floral notes, red fruits and citrus.

VITICULTURE

Sustainable certified.

VINIFICATION

The freshness of the ocean allows early-harvesting of the red varieties for bright aromas and firm acidity, ideal for making aromatic rosé wine. Made from Pinot Noir, Tannat and Marselan, which are gently pressed and fermented separately before blending according to the Familia Deicas Tasting Committee led by Santiago Deicas.
