TASTING NOTE

Clear, luminous salmon-pink with bright, vibrant nuances. An intense, inviting bouquet of fresh red fruits on the nose highlighted by upfront notes of cherry, raspberry and redcurrant. Crisp and juicy on the palate on entry with a smooth, refreshing mouthfeel. The fruit-forward profile delivers bright cherry and raspberry flavours, perfectly balanced by elegant acidity and a subtle hint of minerality. Clean, zesty, and long finish, leaving a lingering aftertaste of red berries.
