Fireball

Fireball Cinnamon Whiskey Liqueur

LIQUEURS | CANADA | SUITABLE FOR VEGANS

TASTING NOTE

Marketed with the strapline, “tastes like heaven, burns like hell”, as the name suggests Fireball is made with Canadian whisky with cinnamon flavouring and is a popular shot Stateside. Warning: In the EU this product should not be described as a 'whiskey' because it is 33% , therefore below 40% alc./ vol required.
