TASTING NOTE

Gavi di Gavi is one of the most fashionable white wines Italy makes and this delicately floral example, exuding lemons, lilies of the valley and green apples, makes it easy to see why.

VITICULTURE

The Fontanafredda Gavi is produced in the province of Alessandria, south east of Piedmont, where the soil consists mostly of lime and clay. The method of pruning in the vineyards is the Guyot system.

FOOD MATCHING

As an inviting aperitif, it whets the appetite in its pairings with hors-d'oeuvres and fish dishes. It is perfect in summer, but there are no seasonal limitations to the serving of this delightful wine.
