## Fowles Wine

# Ladies who Shoot their Lunch Shiraz 2021

RED STILL WINE | AUSTRALIA | VICTORIA | SUITABLE FOR VEGANS

### TASTING NOTE

A pretty waft of violets precedes a mouthful of red fruit and blueberries, the whole given a lift by a scattering of pepper.

### VINIFICATION

10% of the must was held cold prior to inoculation to encourage aromatic intensity. Wine was fermented at around 24C in stainless steel tanks and matured in a combination of old and new, small and large, English and French oak. One third of the wine was matured in 140 year old 5000L English oak casks.

### FOOD MATCHING

Wild game, especially venison and hare. Also works well with beef and lamb dishes.
