

Fowles Wine

Ladies who Shoot their Lunch Wild Ferment Chardonnay 2022

WHITE
STILL WINE

AUSTRALIA

VICTORIA

TASTING NOTE

The name is fun, but this is a serious quality Chardonnay, combining salivating freshness from high-elevation vineyards with ripe richness and well-balanced barrel ageing, giving gloriously honeyed and caramelised notes.

VINIFICATION

From Upton Run Block 16 in Strathbogie and Greenstone Vineyard in Yarra. Picked in the cool of the early morning and processed immediately to protect the subtle varietal flavours. The juice was left to wild ferment in oak barrels, and spent 12 months on the lees.

FOOD MATCHING

Served perfectly alongside poached wild salmon with hollandaise sauce.
