

Francesco Cirelli

Montepulciano d'Abruzzo DOC Anfora Organic 2022

RED STILL WINE

ITALY

ABRUZZO

BIODYNAMIC

TASTING NOTE

Elegant, unusual Italian red, brimming with red plums and blackberries and fragrant with thyme.

VINIFICATION

Grapes are destemmed and gently crushed, then transferred to the clay amphoras where our indigenous yeasts take over and lead the fermentation process. The maceration process usually takes around ten days, after which the skins are separated from the wine and softly pressed.
